BY HIM WERE ALL THINGS CREATED

Colossians 1:15-19

Welcome to Concord this morning on this "Back to School" Sunday. We want to seize the opportunity to pray for our students and teachers as they head into a new school year. This is an important time and each year our prayers are needed.

All good education begins with the God who made everything. Our text today says this, concerning Jesus, "by Him were all things created". There are many theories about how the world came to be, but there is only one truth of creation. God did it.
