

FAITHFULLY FOCUSED

THE GOOD WORK OF GOD IN YOU

Philippians 1:6

Welcome to all of you hearty souls who have survived the first big snowstorm of the winter and have come to worship today. I am thankful for your faithfulness and your patience. Making the call that delays or cancels services is never easy. I am glad you have made it

here this morning.

Our focus during these early Sundays in 2019 is upon faithfully pressing on toward the upward call of God. It is good to know that we have a God who helps us focus. In fact, Philippians 1:6 reminds us that He who began this good work in us will finish it. He always delivers on His promises and we can be certain of that.

This morning I want to break this great verse apart for your consideration.

I. _____

The focus in the text is on _____.

II. _____.

Justification – God declared us _____.

III. _____.

Sanctification – the _____ of becoming like Jesus.

He may use: (*Romans 5:3, 4*)

IV. _____.

Glorification – freedom from the presence of sin.

God will take us through. May our focus be on Jesus Christ and may this be our greatest year of spiritual growth.

Your Servant in Christ,
Bro. Monte
