## EVALUATING OUR SPIRITUAL CONDITION

Dr. Monte Shinkle

*Romans 5:1-5*

For the past several Sundays we have been discussing the work of God in our life that places us in a right relationship with God. That work is called \_\_\_\_\_. It is a result of believing God.

Today we are considering the process of \_\_\_\_\_. This is the working of God in our life that results in spiritual growth. How are you doing in this area?

Ultimately God will take us to a place of \_\_\_\_\_. We must get out of this world to reach that place.

Let us evaluate our spiritual condition by looking at a simple illustration.

Chair One. \_\_\_\_\_

Chair Two. \_\_\_\_\_

Chair Three. \_\_\_\_\_

Chair Four. \_\_\_\_\_

Chair Five. \_\_\_\_\_

Chair Six. \_\_\_\_\_

Chair Seven. \_\_\_\_\_

God is calling each of us to move along to the next chair.

Your Servant in Christ,  
Bro. Monte
