

CONFESS & BELIEVE JESUS IS LORD

The Mountaintop of Saving Faith *Romans 10:9, 10*

This morning we are beginning to focus on a great mountain peak of gospel truth. In fact, as we move toward Easter this text will be in view wherever we turn. In the weeks ahead we will talk much of the death, burial and resurrection of Jesus with a focus on confessing and believing. Our salvation depends on these two words of action.

As we consider all of Romans 10 today, please notice four things.

- I. **A God-given** _____. (10:1, 21)
Paul had a desire for the lost that mirrored God's desire.
- II. **A God-grieving** _____. (10:3)
They preferred their own plan of _____ to God's plan.
- III. **A God-graced** _____. (10:9, 10)
Jesus is Lord!
_____ He is risen!
_____ He is Lord!
- IV. **A God-guided** _____. (10:17)
Faith comes by _____.
Hearing comes by the _____.

Step by step the gospel draws us upward.

My desire is that you will come to know Jesus and experience this mountaintop of salvation.

Your Servant in Christ,
Bro. Monte
