

CONFESS & BELIEVE JESUS IS LORD

IRREVOCABLE: GOD'S WORD CONCERNING ISRAEL

Romans 11

We welcome you to Concord on this Sunday after Easter. Last Sunday was great and I am confident we will have a wonderful time together today.

My focus this day is on the eleventh chapter of Romans which deals primarily with Israel. God made some great promises concerning Israel. We may not understand them, but Paul calls them "irrevocable". They do not change.

I. What is _____ about Israel?

Two false streams of theology:

_____ Theology

_____ Theology

II. What is _____ about Israel?

Messiah has come and Israel has not _____. (*Romans 10*)

Israel has not been _____. (*11:1-4*)

There is a _____ of Jewish believers. (*11:5-8*)

Gentiles will be blessed because of the _____ of the Jewish people. (*11:9-16*)

Unbelieving Israel was broken off and believing Gentiles were _____ in. (*11:17-25*)

All of Israel will be saved as _____. (*11:26-29*)

_____ is only through faith in Jesus Christ. (*11:30-32*)

III. What is _____ about Israel?

God is consistent. His Word is irrevocable.

What He has promised He will surely perform.

Please join us tonight as we consider the second part of this message.
