

CONFESS & BELIEVE JESUS IS LORD

ISRAEL AND THE CHURCH

Romans 11:7-32

This morning we are exploring the relationship that God has with the people of Israel and Christ's Church. If you believe in Jesus then you are part of His Church, whether you be Gentile or Jew. God is working in His Church and He is at work to save all of Israel.

My purpose this morning is to faithfully lead you through this wonderful passage of scripture and to glorify Jesus. I am glad that you have joined us today and I encourage you to join us tonight as we take a serious look at how God deals with an unproductive tree.

Please note that there are seven movements of biblical history:

_____	_____
_____	_____
_____	_____
_____	_____

We are living in the Church Age, also referred to as the season of the _____.

- I. Israel was _____ because of _____.
(11:20)
- II. The Gentiles were _____ by _____. (11:20)
- III. The relationship between Christ and His Church will make Israel _____. (11:11)
- IV. The fullness of the Gentiles will end with the _____ of the Church. (11:25)
- V. Israel will believe and be _____ back in. (11:26-32)

This makes us marvel at the mystery of redemption.

Your Servant in Christ,
Bro. Monte
