

CONFESS & BELIEVE JESUS IS LORD

A REASONED RESPONSE TO THE MERCIES OF GOD

Romans 12:1

In our journey through Romans we are making a definite turn as we move from the theological to the practical. To date we have covered the first 11 chapters and learned many great truths. It is now time to begin to put those truths into practice. That is where we head today.

Our relationship with Jesus is an invitation to live for Him. Verse one is as direct an invitation as we will ever see. The call to sacrifice does not go down well in our culture and yet that is what we are called to in the plainest of terms.

- I. An _____ Request.
I _____ you...
- II. A _____ Reason.
By the _____ of God.
- III. A _____ Requirement.
Present your _____ a living sacrifice.
- IV. A _____ Response.
Your _____ service.

I am thankful that you are here today. In the weeks ahead we will be taking a serious look at life together in the body of Christ. You have a place in the local church and God has gifted you accordingly. It is time to present yourself as an active servant of the Lord.

Your Servant in Christ,
Bro. Monte
