

CONFESS & BELIEVE JESUS IS LORD

THE METAMORPHOSIS OF THE MIND

Romans 12:1-3

We welcome you to Concord on this wonderful day of worship as we honor our 2018 graduating class. We are extremely thankful for and proud of them. This is one place where a little pride is called for. They have worked hard to accomplish this goal in life. Cheer for them, Concord family, as they walk across our platform today.

Our Scripture this morning is about the transforming power of the work of Christ in our lives. Last Sunday we talked about the living sacrifice of our bodies to the Lord. This morning we are considering the transformation of our mind. It is the Greek word we learned in biology. Metamorphosis is descriptive of the change in us. Only Jesus can make such a change.

Four major things emerge from this wonderful passage.

- I. How Our Lord Jesus _____ Us.
Be not _____ to this world.

- II. How Our Lord Jesus _____ Us.
A _____.

- III. How Our Lord Jesus _____ Us.
Be transformed by the _____ of your mind.

- IV. How Our Lord Jesus _____ Us.
That you may prove the good, acceptable and perfect _____ of God.

God has a plan for all of us and He works in our mind to get us there.

I encourage you to join us tonight for a very exciting testimony and presentation. Jamee Angeles is a wonderful servant of God who, along with her family, has been a great help to our efforts in Mexico. She and her twin daughters are worshipping with us today. We are so glad they are here and they will be with us in our evening service.

We will also be learning of some other missional involvements planned for the near future. We will cap off the evening with a time of prayer. Don't miss this great night with the Body of Christ.

Your Servant in Christ,
Bro. Monte
