

FAITHFULLY FOCUSED

OUR CITIZENSHIP IS IN HEAVEN

Philippians 3:15-21

Welcome to worship at Concord on this wonderful Lord's Day. I am excited about the opportunity to open God's Word as we continue our series from Philippians on being Faithfully Focused Followers of Jesus Christ.

This morning we are considering Philippians 3:20 which reminds us that our citizenship is in heaven. What does that mean? We are going to consider three things involved in being citizens in heaven.

- I. **As a citizen of heaven I have been _____.**
We have been called out of our old country into the kingdom of God.
- II. **As a citizen of heaven I have been _____.**
We are called into certain responsibilities and rights.
- III. **As a citizen of heaven I will be _____.**
We look for the coming of our Lord.

Each of these is a special sign of citizenship.

The next two weekends are very important in the life of our congregation. Jake Buxton has worked hard to put together an exciting weekend of Disciple Now activities. Parents, please encourage and make possible the participation of your student. This can be a life-changing weekend.

Call to Purity Conference is scheduled for February 22-23. The focus of the weekend is on developing a heart for God. Strongholds are broken when the heart draws closer to God and falls more in love with Jesus. This is not just a conference about sexual purity. The focus is on a revived heart.

I encourage you to pray for and support both DNow and Call to Purity. Both are important to the spiritual well-being of our church.

Your Servant in Christ,
Bro. Monte
