THE CRUCIFIED LIFE

Galatians 2:20

We want to welcome you to Concord today as we come to worship our King, Jesus! Today we will examine what the Apostle Paul meant when he said, "I am crucified with Christ" (Galatians 2:20).

Early on in my Christian life I came across this passage. It has become my life verse. I believe Galatians 2:20 is the key to an individual living a fully devoted life in Christ. It is also key for renewed fervor in the church, and then to remain in a perpetual state of revival.

We must ask ourselves, what did Paul mean by this statement and what does it mean for me today?

- I. The Crucified Life is a _____ Life.
- II. The Crucified Life is not an _____ Life.
- III. The Crucified Life is a _____ Life.
- IV. The Crucified Life is a _____ Life.

Blessings,

Bro. Mike
