

WHEN JESUS IS IN THE HOUSE

Mark 1:40 - 2:12

Good morning, folks. March is finally here! It is a wonderful day to be in God's house with this congregation and our special guests. Today we welcome the Renaissance Choir from Bethel University. If that sounds familiar, it is because we have hosted them before. This fantastic group contains some of our own young adults. We are excited to have them. Make them feel welcome.

I direct your attention to Mark 2 and one of my favorite events in the life of Christ. It happened in Capernaum and it resulted in the forgiveness and healing of a crippled man. We remember this story because the roof literally was taken off so that this man could be placed in front of Jesus. This event also brought about some criticism.

What happened when Jesus was in that house?

- I. _____ . (2:2)
People gather where they can find _____.
- II. **The** _____ **was** _____. (2:2)
Jesus came preaching. (1:14)
- III. _____ **for others** _____. (2:3)
They did not forget their friend.
- IV. _____. (2:4)
They were not bothered by obstacles or criticism.
- V. _____ **led to** _____. (2:5-12)
While you desire healing, know that it begins with forgiveness.
- VI. **God was** _____. (2:12)
He is the Great Physician.

Join us for worship tonight as we once again look at this wonderful text.

Your Servant in Christ,
Bro. Monte
