

## Worship Guide October 22-25

### **By and By the Harvest**

[Matthew 13:24-30](#)

Welcome to this weekend of worship here at Concord. We are so glad you have joined us, and we are expecting a great time together. Our theme during October has been "Harvest Time", and today we are thinking about the phrase "by and by the harvest". This is a line from an old hymn. "Bringing in the Sheaves" speaks of that unstoppable move toward a gathering of everyone to God. It will come by and by.

#### **I. The Moving Toward the Harvest.**

**Ignorantly**  
**Foolishly**  
**Confidently**

#### **II. The Maturing of the Harvest.**

#### **III. The Moment of the Harvest.**

God is in control of when and how.

These are important days. We are moving toward Harvest Time. As we gather next weekend, we will observe a special time of prayer for our nation and the upcoming election. In addition we will observe the Lord's Supper in all three services.

May God bless you in this upcoming week.

Your Servant in Christ,  
Bro Monte
