The Helmet of Salvation
Ephesians 6:10-17

Welcome to this weekend of worship at Concord. I certainly hope that you will join us as we continue our series, "The Battle Belongs to the Lord". This weekend we are considering the "helmet of salvation". It is mentioned in both Ephesians 6:17 and 1 Thessalonians 5:8. The helmet protects our head and the entirety of our thinking.

Our brain is a wonderfully designed organ that controls our mind, will, and emotions. The wicked one likes to attack all three. This weekend I want to encourage you to let God control your thought process. You have the mind of Christ. You are to think on the things of God. The Word of God asks us to do three things.

I. Think Clearly

II. Choose Carefully

III. Rest Confidently

These all apply to our present world. I will close the message this weekend by asking you to look at 1 Thessalonians 5:1-9. I am strengthened by the helmet of the hope of salvation.

Your Servant in Christ,
Bro. Monte
