#### TAKE UP YOUR SHIELD

Ephesians 6:10-17

We continue our study of spiritual warfare. "The Battle Belongs to the Lord". This weekend I am encouraging you to "Take Up Your Shield". A shield of faith is provided for each believer, but it serves no purpose if it is not actively taken up.

Burning arrows will be shot at us. We need a shield to stop them. This weekend we will talk about the kind of faith that can handle the wicked one's attacks. The attacks can come from many different sources and yet they all originate from one central source. In the face of Satanic attack "Take Up Your Shield"!

Every believer has faith. That is why we are called believers. There is a difference between having *faith in* and having *faith that*. One describes an attitude and the other an activity. Both are important.

#### I. The Attitude of Faith

#### II. The Activity of Faith

The call of God is for us to push back against the wicked one. "Resist the devil and he will flee you." This is God's promise to us.

Your Servant in Christ,  
Bro. Monte
